Is your pet current on all vaccinations including Bordetella? Yes or No **Please attach a copy of the records. Countryside Kennels, LLC will not accept any pet for boarding services that do not have proof of current vaccinations.**

Does your pet need the Bordetella (Kennel Cough) vaccine to be administered by *Countryside Kennels, LLC*? ****Your pet must be current on the Bordetella vaccine prior to your boarding date.***

Yes or No

What you need to know:

- Your pet will be kenneled while you board your pet with *Countryside Kennels, LLC* and the kennel may have a raised floor. In some cases, a pet crate may be used to kennel and/or transport by vehicle your pet.
- Please ask what the schedule for your pet will be for bathroom breaks, to stretch, to socialize, etc. as every pet has different needs and wants.

- If your pet becomes ill or injured while in our care, we will take him or her to Twin Forks Veterinary Clinic in Burlington, Colorado for their veterinarian care. If your pet dies while in our care, we will transport the body to Twin Forks Veterinary Clinic for safe keeping or cremation and we will notify the owner immediately.
- In some circumstances, your pet may be commingled with other dogs from different owners/households.

I, the owner, have received a copy of *Countryside Kennels, LLC* Pet Boarding Business Hours, and Prices Form and by signing this document, I fully understand their policies and procedures.
